IMPORTANT INFORMATION

CONDITIONS OF ENTRY

ILT Kidzone is all about having fun in a safe and welcoming environment. By purchasing a ticket and attending the festival, patrons are bound by the policies and guidelines outlined in our Terms and Conditions.

ENTRY & EXIT

There is only one entrance to ILT Kidzone and it is on Tweed Street. This is the only entry and exit as the school is fenced off.

PARKING

Free parking is available on the streets surrounding Southland Girls High School.

FOOD AND BEVERAGES

There are a variety of food and beverage options available for purchase at the ILT Kidzone food court. You're also welcome to bring a packed lunch from home.

RUBBISH

RED bins are for rubbish, YELLOW bins are for recycling and GREEN bins are for food waste. ILT Kidzone is a recycling-friendly zone. Help us support our environment by reducing, re-using and recycling.

BRING YOUR OWN

Please BYO water bottles, keep cups, and containers to help reduce waste. In the interest of being an environmentally sustainable event, ILT Kidzone will no longer be providing bags at the festival so bring a bag to carry the things you create.

LOST & FOUND

Any lost property will be taken to the volunteers' area in the school's main staffroom for collection. If you become separated from your child, please inform a volunteer. Why not pick a spot with your family (i.e. the food court area) where you will meet if you lose each other.

IN AN EMERGENCY

Should we need to evacuate, it's important to listen to instructions, keep calm and refrain from running. Please listen to ILT Kidzone staff who will direct you to the nearest exit point.

FIRST AID

A first aid station is located in the volunteers' area in the school's main staffroom. St John first aid staff are also available in this area.

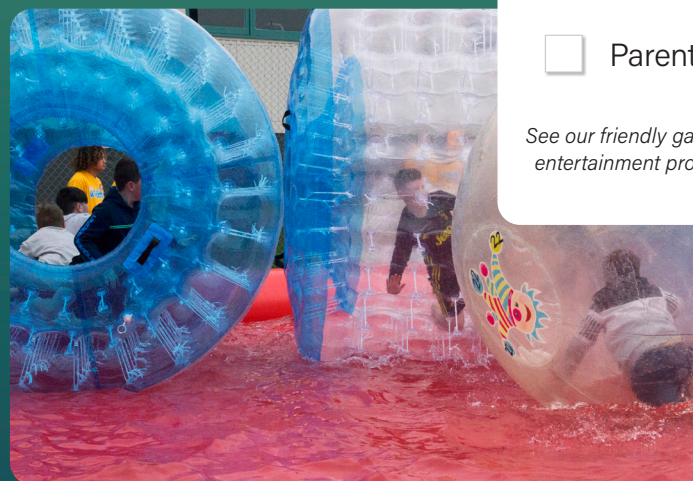

SAFETY

Everyone under 14 years old MUST be accompanied by an adult. We remind parents and caregivers that whilst every care will be taken to provide patrons with a safe environment within the festival, all children remain the responsibility of their parents or guardians at all times during their attendance at ILT Kidzone.

PHOTOGRAPHY & FILMING

Patrons attending the ILT Kidzone Festival may be filmed or photographed and this may be used in future promotional materials produced by Great South. It is deemed that a person, by entering the festival, consents to the ILT Kidzone Festival or third parties appointed by the festival, filming or photographing them. The ILT Kidzone Festival or third parties appointed by the festival can broadcast, publish, license and use any photographs, film, recordings or images without compensation. The ILT Kidzone Festival, third parties and anyone acquiring from them a right to use the material are not liable to the subject for its use in any way.
